

2001 Advancement Camporee Preliminary Service Project

**Saturday 28 April, La Pine State Park
Day Use Area**

To all Scouts, Scouters, and Supporters:

The La Pine Parks and Recreation District has made the Day Use Area of La Pine State Park available to the BSA for use during our Spring Camporee. The site was made available to the BSA at no charge, provided that we respond in kind by providing them with a one day service project to help rake and clean up the Day Use Area in anticipation of our own event, and for the benefit of the public when regular seasons opens shortly thereafter. This is a great site, with running water and bathrooms. Please show your support and thanks by helping us in this project.

Individuals wishing to participate should try to bring:

Work gloves

Lawn rakes

When : Saturday, April 28, from 9 am to 5 pm

Where: La Pine State Park Day Use Area (Hwy 97 S, look for the signs)
