	Coordinator :	RAY SPREIER				RAY SPREIER	RAY SPREIER

There are a total of 63 program topics, events, and outdoor activities planned for the 2000-2001 year. Troop 21 is blessed with a large number of registered adult leaders and active parents. If each individual volunteered to organize just one of the areas outlined to the left, we could have the entire troop year covered. Remember - "organizing" an event does not mean that you necessarily have to "do everything" associated with the event. The Troop has a tremendous amount of resources and volunteers that will assist you with the event. Your willingness to volunteer will help spread the workload, and will free up the Scoutmaster to focus on advancement opportunities for the Scouts. Thank You.
